Dear Mr Azzam,

Further to our correspondence about the arrest of Dr. Necmettin Erbakan and Mr. Temel Karamolla Oglue, former members of the Turkish Parliament, I enclose a letter I've had from the Secretary General of the Inter-Parliamentary Union informing me that his office has initiated an approach to the Government of Turkey to obtain the necessary information about the situation of these two former Parliamentarians. I shall of course let you know what happens as a result of this initiative and if in the meanwhile you get any further information about their circumstances in which the two are detained or the legal steps being taken against them, I should be very much obliged if you would let me know.

Yours sincerely,

E. Avebury
